As the end of the school year approaches, we wanted to take the time to recognize and congratulate our entire 8th grade student body for a job well done. A number of awards will be given out by each department, including foreign language and other electives. All students will be awarded for completing three years of the International Baccalaureate Middle Years Programme.

Immediately following the celebration, students and staff will participate in an ice cream social in the cafeteria.

Due to space limitations, parents and spectators will be asked sit at the very back of auditorium or in the foyer.
